

CEILING MOUNT

FLAG MOUNT

The Ecoglo BR2-LBC Series of mounted photoluminescent Exit signs are designed for architectural perfection without costing the Earth. The signs have no 'Red List' ingredients (as per the Living Building Challenge Red List) and are warranted for 30 years when installed indoors so can be expected to last the life of the building. The chic aluminium cover plate offers a sleek architectural appearance that will complement any interior space. Suitable for indoor use where architectural designs with first class aesthetics and performance are required.

COMPOSITION

Ecoglo BR2-LBC Exit signs include:

- 1mm thick Ecoglo Red List free Exit sign blade;
- 4mm thick clear acrylic faceplate with bevelled edge;
- 4mm thick green acrylic backing plate;
- Anodised aluminium mounting plates.

INSTALLATION

All bracket kits are supplied with two pieces of 4mm acrylic and all required fixers.

Signs can be mounted flat against a wall using standoff pegs or from the ceiling or wall using a mounting and cover plate. Brackets can take one sign or two signs back to back.

SUPPLY

ECOGLO BR2-LBC Exit signs are available single sided or double sided, and in a range of text or graphics (pictogram) options.
